# ARGENTINA

Buenos Aires / Cordoba / Mendoza / Bariloche / Ushuaia

**Argentina, in many ways more 'European' than 'American'**, is completely different from any other Latin American country. This is a modern, but also cultured and historic country, exciting yet at the same time welcoming and friendly - unique in every way.

## Buenos Aires

**Buenos Aires**, often called 'the Paris of the South', has wide avenues and beautiful parks. Our Option 1 school is located in a prosperous residential area. Our Option 2 school occupies a beautiful building in the city centre, just 5 minutes' walk from the 'Plaza de Mayo'. Choose a standard Spanish course, or '**Spanish and Tango**'. You can divide your time in Argentina between 2 or more of our schools, or choose a '**Multi-Stay**' course, staying in both Argentina and Chile (One-way flight from Argentina-Chile and transfers included).

## Ushuaia

**Ushuaia**, lying between the mountains and the ocean, is the southernmost city in the world. This is an area of spectacular scenery, **penguin colonies** and incredible sunrises! Our school in Ushuaia has 14 comfortable classrooms, plus a kitchen, used for cookery lessons. Most people who visit Ushuaia simply **fall in love** with the location. Our school organises a wide range of visits and activities, to help students make the most of their time here, with boat trips, excursions to other parts of '**Tierra Del Fuego**', evenings out with tutors, Argentine cookery lessons and Tango or Salsa classes. Anyone who visits Ushuaia is sure never to forget this unique, breathtaking, part of the world.
