

AUGSBURG

Germany

Augsburg, founded by the Romans, is a beautiful Bavarian university town, just an hour from Munich.

The historic centre of Augsburg is exceptionally well-preserved, the winding cobbled streets giving the city a cosy 'small town' feel. However, Augsburg is also a student city, popular with German students, making Augsburg also 'youthful' and bustling.

Our school is located in the centre of Augsburg. There are 8 well-equipped, spacious classrooms, as well as a **student cafeteria** – a meeting point for students at break time and after class.
