The Brandenburger Gate

Berlin is the natural choice for anyone wanting to learn German. This is a modern, exciting, vibrant city, yet also **full of history and culture.** Explore the old 'eastern' sector, still offering insights into Berlin's recent past – such as **'Checkpoint Charlie'**. Enjoy Berlin's shopping and famous nightlife. Or, stroll through the many **parks** and take time to visit one of the numerous music or **culture festivals** that are regularly staged in Berlin. Whatever your tastes, Berlin is sure to offer something to interest and entertain you.

Our main school in Berlin (Berlin Option 1) is located in Schöneberg, a central area of former western Berlin. This is a prosperous area, full of cafes, restaurants and shops.

The school is **exceptionally** well-equipped, with **20 spacious, comfortable classrooms**, a coffee/break time area, drinks/snacks room, a small gym and a large school Internet café with 10 computers, offering free and **unlimited Internet access** to all students.

Our Berlin Option 1 school offers a regular **cultural program**, with 3 organized activities each week (German film club, evening out with tutors and guided visits within Berlin) plus an **excursion** at the weekend – to Rostock, Potsdam, Leipzig or Dresden. As the school always has a good number of international students on their German courses (100-300), from many different countries, they are always able to offer a **wide range** of language levels and provide an **interesting cultural program.**

Our school organizes accommodation in carefully-chosen German host families, as well as in self-catering apartments shared with Germans.

Our Berlin Option 1 school offers an **exceptionally high standard** of teaching and student care, in a well-equipped, comfortable and **welcoming** environment – making this an **excellent** choice for anyone wishing to learn German.

Multi-Stay Berlin/Freiburg: If you like, you can **divide your German course** between our schools **Berlin Option 1** and **Freiburg** (South West Germany), thus seeing two very different parts of Germany and 2 completely different cities.
