

DOMINICAN REPUBLIC

Sosua

The Dominican Republic's breathtaking natural beauty, combined with the incredible friendliness and hospitality of the locals makes this the perfect travel-study destination.

Sosua is famous for its magnificent **beaches**. Our school in Sosua stands in its own grounds, surrounded by tropical gardens and located just 5 minutes' walk from the beach. The school has on-site studios, with private bathrooms, televisions and use of a shared kitchen. Or, students can stay in nearby private apartments, with swimming pools. As well as standard Spanish courses, our school in Sosua offers **Spanish and Windsurfing/Kitesurfing**, combining a Spanish course with windsurfing or kitesurfing lessons. There is also a **'Travelling Classroom'** course: a 2-week Spanish tour of the Dominican Republic, starting and finishing in Sosua, travelling through the mountains of Jarabacoa, on to Santo Domingo and including the beaches of Las Terrenas. Lessons, transport and hotel accommodation are included.

Santo Domingo

Santo Domingo, capital of the Dominican Republic and the oldest Hispanic city in the Caribbean, dates back to Christopher Columbus.

The city is full of places of historic interest and one of the most beautiful beaches in the world – Boca Chica – is just 30 minutes' drive away. We have 2 schools in Santo Domingo: Our **Santo Domingo Option 1** school is located in the centre of Santo Domingo. Our **Option 2** school is situated in a prosperous area, near the university, giving students lots of opportunities to make friends with local students. As well as a Spanish course, you can take a **'Spanish and Salsa' course** – 20 Spanish lessons/week + 10 Salsa lessons/week, plus 2 full-day and one half-day excursions. Students stay in carefully selected host families, shared apartments, private apartments or hotels. If you like, you can **divide** your Spanish course between Santo Domingo and Sosua, thus seeing 2 very different sides of this beautiful country.
