

# FLORENCE

Italy

Our school in Florence is located in the historic centre of Florence, in a 17th century palace, on the banks of the River Arno, just 5 minutes' walk from the famous Ponte Vecchio.

There are 10 spacious and well-equipped classrooms, several with magnificent views over the river. Students can stay in shared apartments, private studios or in host families. All the private studios and many of the shared apartments are **centrally located**, within walking distance of our school, in the heart of Florence.
