Greece is a country famous for its history, culture, climate, wonderful scenery and friendly locals. Enjoy re-discovering this ancient culture and modern-day people through learning the beautiful language of this magical country.

Our school in **Athens** is located in the **centre** of the city, with the Parthenon on one side and the mountain of Lycavitos on the other. There are 9 **air-conditioned classrooms**, a multi-media centre, library, Internet room and cafeteria. Why not follow your course in **Athens** with a course at our school in **Hania** on the beautiful island of **Crete**, or at our school in **Thessaloniki**, the second city of Greece?

Our school in **Thessaloniki**, in the **centre** of the city, has 7 classrooms, a multi-media room, cafeteria, library and gymnasium. Thessaloniki, a modern, bustling city is also famous for its multitude of Roman and Byzantine monuments.

Our school in **Chania, Crete**, is **ideal** for those who wish to combine a Greek language course with a holiday atmosphere, away from the crowds of the big city. The school organises evening trips to restaurants, festivals, and excursions to many of Crete's most **beautiful beaches**. The school is **ideally located** near the old town of Chania. There is a garden at the front of the school and a veranda with beautiful views over Chania.

Chania is also a wonderful base from which to explore the rest of Crete - its beaches, beautiful countryside, culture and history.
