

The beach

Marbella is one of the most exclusive coastal resorts in Europe, famous for its sandy beaches, luxury hotels, vibrant nightlife and chic marina for the ultra-rich, Puerto Banús. Marbella enjoys an average of 320 sunny days per year, with warm temperatures even in winter, due to its close proximity to Africa. Marbella is also an excellent base from which to explore Andalucía - Granada, Seville, Cordoba and the Sierra Nevada Mountains.

Our school is ideally located, just 5 minutes walk from Marbella's long sandy beach. There are 13 classrooms, an Internet café, student common room and large private terrace for students to use at break time. Most accommodation is within walking distance of the school and the beach.
