# MONTPELLIER

France

The beautiful university city of Montpellier (pop. 250,000) lies in an unspoilt and largely undiscovered part of southern France, with Avignon, Nimes, Carcassonne, the Camargue, Provence and the long sandy beaches of the Mediterranean all close by. A quarter of the inhabitants of Montpellier are **French students**, giving the city a **youthful atmosphere**, whilst retaining the charm of its narrow winding streets and the splendour of its historic buildings.

Our school is located in a recently renovated **18th century mansion**, in the heart of Montpellier, just **5 minutes walk** from the **Place de la Comedie**, the main square. There are 20 **air-conditioned** classrooms, Internet café, coffee-room, library and reception area. Additional nearby classrooms are also used at certain times of year. The **student residence**, just a **short walk** from the school, is shared with **French university students**, giving international students the opportunity to **mix with French students** of a similar age. All rooms in the residence have **private bathrooms/toilets** and **kitchenette**. The school organises **guided tours of Montpellier**, social evenings, picnics at the beach, **horse-riding** in the dunes, plus **excursions**, to Nimes, Avignon, the Camargue and more!
