Summer school

Nice

**Nice, the capital of the French Riviera, is famous for its beautiful beaches and pleasant climate.**

**Our school** in Nice is in an elegant building in the **centre of the city**, just a short walk from the **beach** and from the **old town**. There are 17 spacious classrooms, as well as an Internet room, private garden and a patio area for the students to use at coffee time.

**Our school** has a second centre in Nice, mainly used in the summer, located in a very attractive detached **mansion-style house**, surrounded by extensive private gardens. Nice is an **excellent** choice for students who wish to combine a **high-quality French course** with a **beach-side location**, in an elegant and fascinating part of France.

## How to get there

Fly to Nice. **Free airport transfer** on arrival for students in host families. For other students, airport bus to town centre and taxi to accommodation.

## Academic Year in Nice

This **6 or 9 month course** of 25 **lessons/wk** is **ideal** for Long-Term gap-year students who wish to achieve **fluency** in the language. Students can start their courses in September or January. This 'Academic Year' prepares students to take the **internationally recognised DELF Exam** at the end of their course. (DELF 1st degree after 6 months 2nd degree after 9 months). As part of their course, students also study **French culture and civilisation**, so as to obtain not only an **advanced level of French**, but also a profound understanding of the French way of life and of the French people. **Accommodation** is available in carefully selected French host families, 'French hosts' and in private studio apartments. **'French host'** accommodation means that you will be **sharing an apartment with a French** person on a self-catering basis, cooking for yourself, using the apartment as if it were your own. French **host family** accommodation means that you will be provided with breakfast and evening meal by your host family, Monday-Friday, with 3 meals/day at the weekend.

## A-Level Revision Course in Nice

**A-Level students** are welcome to join the **normal courses** that run at our schools in Nice and other locations, as these are perfectly suitable for them. However, our school in Nice also runs a specific **'A-Level Revision Course'**, which concentrates on the **specific skills** and areas of language required to pass the **A-Level exam**. This 2-week course consists of **30 lessons per week**, spread over 5 mornings (Monday-Friday) and 3 afternoons. The last day of the course is set aside for a test under **examination conditions**, to give additional exam practice. Accommodation is available in **carefully selected French host families**, private studio apartments and 'French hosts' (self-catering). **A free airport transfer** on arrival is provided for students staying in **French host families**. There is a guided walk around Nice on the first Monday, another organised activity during the week, as well as the option of a full-day **excursion** at the weekend (not included). A similar **A-Level Revision Course** is available at our schools in **Bordeaux + Biarritz**.

## Club 50+ French Club 50+ in Nice/Montpellier Club 50+

**Students over 50** are **more than welcome** to join our normal courses. However, for those who prefer to be with people of a **similar age**, we offer **'French Club 50+'** in either **Nice or Montpellier**, combining **3 French classes/day** with a cultural programme: 3 afternoon activities, 1 evening activity/wk + 1 full day excursion. **Typical activities in Nice** include guided visit to the old town, **excursion to Antibes/Monte Carlo/Monaco**, visit to the Picasso museum, **wine-tasting**, classical music concert, Matisse museum visit, guided visit to perfumery in village of Eze, plus **farewell dinner with teachers**. **The programme in Montpellier** is similar. Accommodation is available in hotels, private studios, (Nice only) or **host families** (Nice and Montpellier). Please contact us for further details.
