

PISA

Italy

Pisa is an exceptionally beautiful university town where the large historic centre is entirely unspoilt by modern development. Famous for its leaning tower and located just 12km from the coast, Pisa is also an excellent base from which to explore the rest of Tuscany – Florence, Siena, Lucca. With a large student population, and cultural events throughout the year, Pisa is the perfect place to study Italian in a truly authentic Italian town.

Our school is ideally located in the centre of the town, just a short walk from the famous tower. There is a relaxed and welcoming environment thanks to the friendly staff. The school offers a variety of interesting activities, including a guided tour of Pisa, wine-tasting excursions, beach parties and pizza evenings.
