

SALAMANCA

Spain

Salamanca is an ancient and very beautiful city, home to one of the most prestigious universities in Europe. The stone-built faculty buildings share the historic heart of Salamanca with palaces, noblemen's houses, convents and the most impressive 'Plaza Mayor' (main square) in the whole of Spain. This is an ideal location in which to study Spanish, because the Spanish spoken here is pure 'Castellano', with no regional accent or dialect. Also, as Salamanca is off the normal 'tourist route', it is unspoilt by modern development.

Our main school (Option 1) is in the centre of Salamanca, just a short walk from the 'Plaza Mayor'. There are 18 air-conditioned classrooms, Internet café, library, student common room and a large patio. For students wishing to combine their courses with Granada and/or Seville, we have another first-rate school in Salamanca (Option 2), also located in the centre of the city, with 26 air-conditioned classrooms, Internet café, library and roof-top sun terrace/coffee room.
