

SEVILLE

Spain

Seville is certainly one of the most beautiful, atmospheric, cities in Spain. This is a vibrant city, full of colour and life, yet at the same time very friendly, where life is easy and relaxed. The 'Giralda', royal palaces, Golden Tower and Arabic-style patios of the large historic centre, blend beautifully with the bustle of modern-day Seville to give this city its special character and charm.

We have two schools in Seville, both located in the **historic centre** of Seville, a **short walk from the cathedral**. All accommodation is within **walking distance** of both schools.

Our school **Seville Option 1** occupies all 3 floors of a beautiful, refurbished, historic building. The school has 32 **air-conditioned classrooms**, library, Internet cafe, Multimedia room, extensive roof-top terrace, and **beautiful interior patio**.
