

TENERIFE

Spain

Tenerife enjoys a wonderful climate year-round. There are mountains, unspoilt beaches, beautiful fishing villages and exciting seaside resorts. This is a location where you really can learn Spanish in the sunshine, at any time of the year! Our two schools in Tenerife are located in Santa Cruz (the capital), and in the Costa Adeje.

Santa Cruz is well known for the beauty of the city, its elegant shops, monuments and numerous festivals. Though Tenerife is known for its tourism, Santa Cruz is a totally 'Spanish' city, a wonderful location in which to learn the language. The Costa Adeje is famous for its beaches, beautiful countryside and tourist resorts.

Our school in Santa Cruz is located just 10 minutes' walk from the city centre and seafront. The school has several well-equipped classrooms, a multi-media room and Internet cafe. There are excellent sandy beaches just 10 minutes away by bus.

Our school in Costa Adeje has studio apartments on-site and a swimming pool. There are ten classrooms, a library and Internet cafe. The beach is just 10 minutes walk away.
