Reception

Valencia (pop. 800,000) is a wonderful city which truly has everything – an atmospheric and very beautiful old town, full of small bars and cafeterias, very popular with students, wide sandy beaches, first-rate modern cultural, sporting and recreational facilities, stylish avant-garde architecture, and above all a marvellous Mediterranean climate.

Our well-equipped school is located on a university campus, with a high standard student residence in the same building (all rooms have private wc/shower). There are 10 classrooms, computer room, internet café, TV/video room, student common room and cafeteria, as well as full access to university sports facilities – swimming pool, gym, basketball, squash, athletics track, tennis courts etc.

Students have excellent opportunities to mix and make friends with Spanish university students on campus or living in the residence.
