

# VENICE

Italy

Students from the school

Even if you expect Venice to be beautiful, the beauty and charm of this magical city will surpass your expectations. A multitude of small canals divide the city into numerous fascinating districts, each with its own bars, restaurants, shops, churches and small piazzas. This city is at the same time bustling, vibrant, peaceful, charming, exhilarating, romantic and mystical. You really have to experience Venice. No description can do it justice.

Our school, located in a renovated 18th century palace, lies in the heart of the city, just a short walk from the famous Rialto Bridge. There are 10 classrooms, and a beautiful terrace, with views over the city. The staff at our school will ensure that you have an excellent Italian course, as well as a thoroughly enjoyable stay in Venice.
